Profile

I am currently in my sixth semester of seven semester of my undergraduate degree in Software Engineering at the Fundación Universitaria Empresarial de la Cámara de Comercio de Bogotá, I have knowledge in office tools, JavaScript, HTML, Java, PHP, C#, VB.NET, database management as SQL Server management, MySQLI and management of cloud computing like AWS and Azure, I have leadership skills, teamwork, and achievement orientation. I am a person with planning and organizational skills.

I want to be part of a work team where I can offer my knowledge and generate new knowledge alternatives that allow me to consolidate professionally.
